Came up. The Pers Committee had urged that question be reconsidered & the supply of stationery articles be at 1/2 the scale sanctioned to Executive Officials, proportionate reduction in the grants under Contingencies allowed for the year 1942 being also made. As the conditions have become worse, the Dept may be informed that it is not feasible to reconsider the question & that individual cases of emergency will be dealt with on merits.

5 When the information re. the cost involved was called for last year, the Supdt reported in his letter dated 4th April 1941 (vide ✕) that the cost would come to about Rs. 7000/- per annum according to prevailing rates at that time.

Regarding the extra cost to be incurred by the Stationery Depot due to increased supply reported ~~to~~ in my letter No.P.C.545, dated 2-4-1941, the Committee were of the opinion that the additional grant required by the Stationery Depot may be made available ~~by~~ by proportionate reduction of grants under Contingencies provided for several Departments in the Annual Budget and thus avoid additional expenditure to Government.
